

## *Message from the of the Bradford County Fair Association, Inc. President*

Welcome to your 2018 Bradford County Fair! This year's theme is "Let Freedom Ring". We want everyone to enjoy themselves at our hometown Fair featuring the patriotic folks of Bradford and Union Counties. We are continually working to improve our fantastic Fair and this year is no exception with an exciting midway, awesome exhibits and great musical entertainment every night on our sound-stage!

On behalf of the Bradford County Fair Association, I would like to take this opportunity to thank the many dedicated individuals and our staff who worked very hard to make this event a success. The help and support of each and every person in the community who is involved is greatly appreciated.

*Let  
Freedom  
Ring!*

There are many local businesses and industries from Bradford and Union Counties and beyond that provide employment opportunities for our communities. The Bradford County Fair provides an informative environment which supports and promotes these businesses and industries. It is our mission to make the Bradford County Fair a safe and fun fair for the whole family.

Thank you and "Let Freedom Ring!"

*Ray Norman*  
President
